belge des médecins spécialistes  
en Anesthésie et Réanimation

Belgische beroepsvereniging  
van artsen-specialisten in  
anesthesie en reanimatie

## Multiple Year Membership Residents 2022-2023

Dear Colleagues,

For a first time in history, the 5 societies of Anesthesia in Belgium are offering you the possibility to become a member of all societies through 1 registration. Registration using the offer to register for all 5 societies at once makes administration for you much easier.

The societies are:

- The Belgian Society of Anesthesiology, Resuscitation, Perioperative Medicine and Pain Management (**BeSARPP**)
- L'Association Professionnelle Belge des Médecins Spécialistes en Anesthésie-Réanimation / Belgische Beroepsvereniging van Artsen-Specialisten in Anesthesie en Reanimatie (**BSAR/APSAR**)
- The Belgian Association for Regional Anesthesia (**BARA**)  
The BARA offers trainees the BARA and ESRA membership for FREE.
- The Belgian Association for Paediatric Anaesthesiology (**BAPA**)  
The BAPA offers trainees the membership for FREE.
- The Belgian Anesthesia Trainees (**BAT**)  
The BAT offers trainees the membership for FREE.

Thanks to this collaboration, you will enjoy a great number of benefits through your residency. These are, among others:

- An European Society of Anesthesiology and Intensive Care (ESAIC, formerly the ESA) Associate Membership
- An online access to the Acta Anesthesiologica Belgica
- A free access to BSAR/APSAR Annual Meeting
- A free access to the BeSARPP Graduation Day
- A reduced registration fee for the BeSARPP Annual Meeting
- A reduced registration fee for the BeSARPP endorsed meetings
- The possibility to apply for the BeSARPP Research Grants
- Free legal advices if you need some, through the BSAR/APSAR

- A free BARA/ESRA Membership
- A free access for 1 year to the ESRA academy and the Regional Anesthesia and Pain Medicine journal
- A free BAPA Membership
- A reduced registration fee for the events organized by the BAPA
- A free BAT Membership, which offers the possibility of free European Diploma in Anesthesiology and Intensive Care (EDAIC) lessons, free access to some pdf anesthesia books, podcasts, Pubmed Monday..., and of representing the residents in the different Belgian anesthesia societies
- Receiving the newsletters from the different societies

You have the possibility to already confirm your combined membership for your entire residency at a lower price. Membership is yearly from October 1<sup>st</sup> to September 30<sup>th</sup>.

The membership fees are:

- € 220,00 for 5 years (only possible if you are in your 1<sup>st</sup> year of training)
- € 210,00 for 4 years (only possible if you are in your 2<sup>nd</sup> year of training)
- € 180,00 for 3 years (only possible if you are in your 3<sup>rd</sup> year of training)
- € 140,00 for 2 years (only possible if you are in your 4<sup>th</sup> year of training)
- € 80,00 for 1 year (only possible if you are in your last year of training)

You also have the possibility to become a member of each Society separately. If you wish to do this, please visit the websites of the societies:
