Welcome

Dear Colleagues,

I am delighted to welcome you to the BeSARPP Annual Meeting that will be held in Bruges. Our theme this year is “**TIVA and pharmacology: past, present and future**”.

As in previous years, we have selected a considerable number of burning topics which will be presented by national as well as international experts in the field. In addition, we have included pro-con debates to spark discussion on some of the more controversial topics.

I would like to thank the Programme Committee members for having put together this outstanding programme.

This year's Annual Meeting offers a high opportunity to attend educative sessions and to experience the excitement of connectivity with your colleagues and friends in the city of Bruges.

We wish you a stimulating and enjoyable Meeting!

Kind regards,

Luc De Baerdemaeker
President of the BeSARPP

Friday, 12 June - Ethics Session

15.30 Registration and Coffee

Session I

Moderators: Luc De Baerdemaeker (BE) & Denis Schmartz (BE)

16.00 **Dirty TIVA: Does it make sense to combine TIVA with halogenated anesthetics?**
